

## Alpine Bright Cream

### Benefits:

- \* Pharmacy formulated to ensure all ingredients are included at concentrations known to be effective
- \* Preserved with botanical extracts
- \* Contains no petroleum products, parabens, or other chemical stabilizers and fragrances

### Key Ingredients:

- \* Arbutin—a natural form of hydroquinone from bearberry, blocks the formation of melanin
- \* Kojic Acid—a mild inhibitor of pigment formation
- \* Licorice Extract, known for natural anti-inflammatory effects
- \* Retinol— at 0.1%, a mild concentration to exfoliate and lightly and enhance the effects of the other brightening ingredients

### Recommended Use:

- \* This cream is a terrific night cream to help diminish age spots and fine lines. Use during the daytime requires sunscreen due to photo sensitivity from the retinol.
