

## Alpine Eye Cream

### Benefits:

- \* Pharmacy formulated to ensure all ingredients are included at concentrations known to be effective
- \* Formulated with a hypoallergenic, nourishing cream base with moisturizing oils and no chemical preservatives/stabilizers
- \* Made entirely in our lab in Park City

### Key Ingredients:

- \* Pentapeptide-4-boosts collagen to fill in fine lines/wrinkles, used at a robust concentration of 10%
- \* Vitamin K-helps improve the appearance of dark circles
- \* Vitamin C-has anti-oxidant and anti-inflammatory effects studied for ability to slow many of the effects of aging
- \* Levocarnitine: -an amino acid which exfoliates gently, without the irritation of acids or retinol
